

Type 1301 / Vinyl / White

 The grey areas mark the size of the protective foil  
All labels start in the bottom left corner.

Special sizes on request.  
Subject to engineering change.

A4: all dimensions in mm, scale 1:1  
A5: all dimensions in mm, scale 1:1,42

## Type 1301 / Vinyl / White

 The grey areas mark the size of the protective foil  
All labels start in the bottom left corner.

Special sizes on request.  
Subject to engineering change.

A4: all dimensions in mm, scale 1:1  
A5: all dimensions in mm, scale 1:1,42

Type 1104 / Polyester/ Transparent with white write on area

 The grey areas mark the size of the protective foil  
All labels start in the bottom left corner.

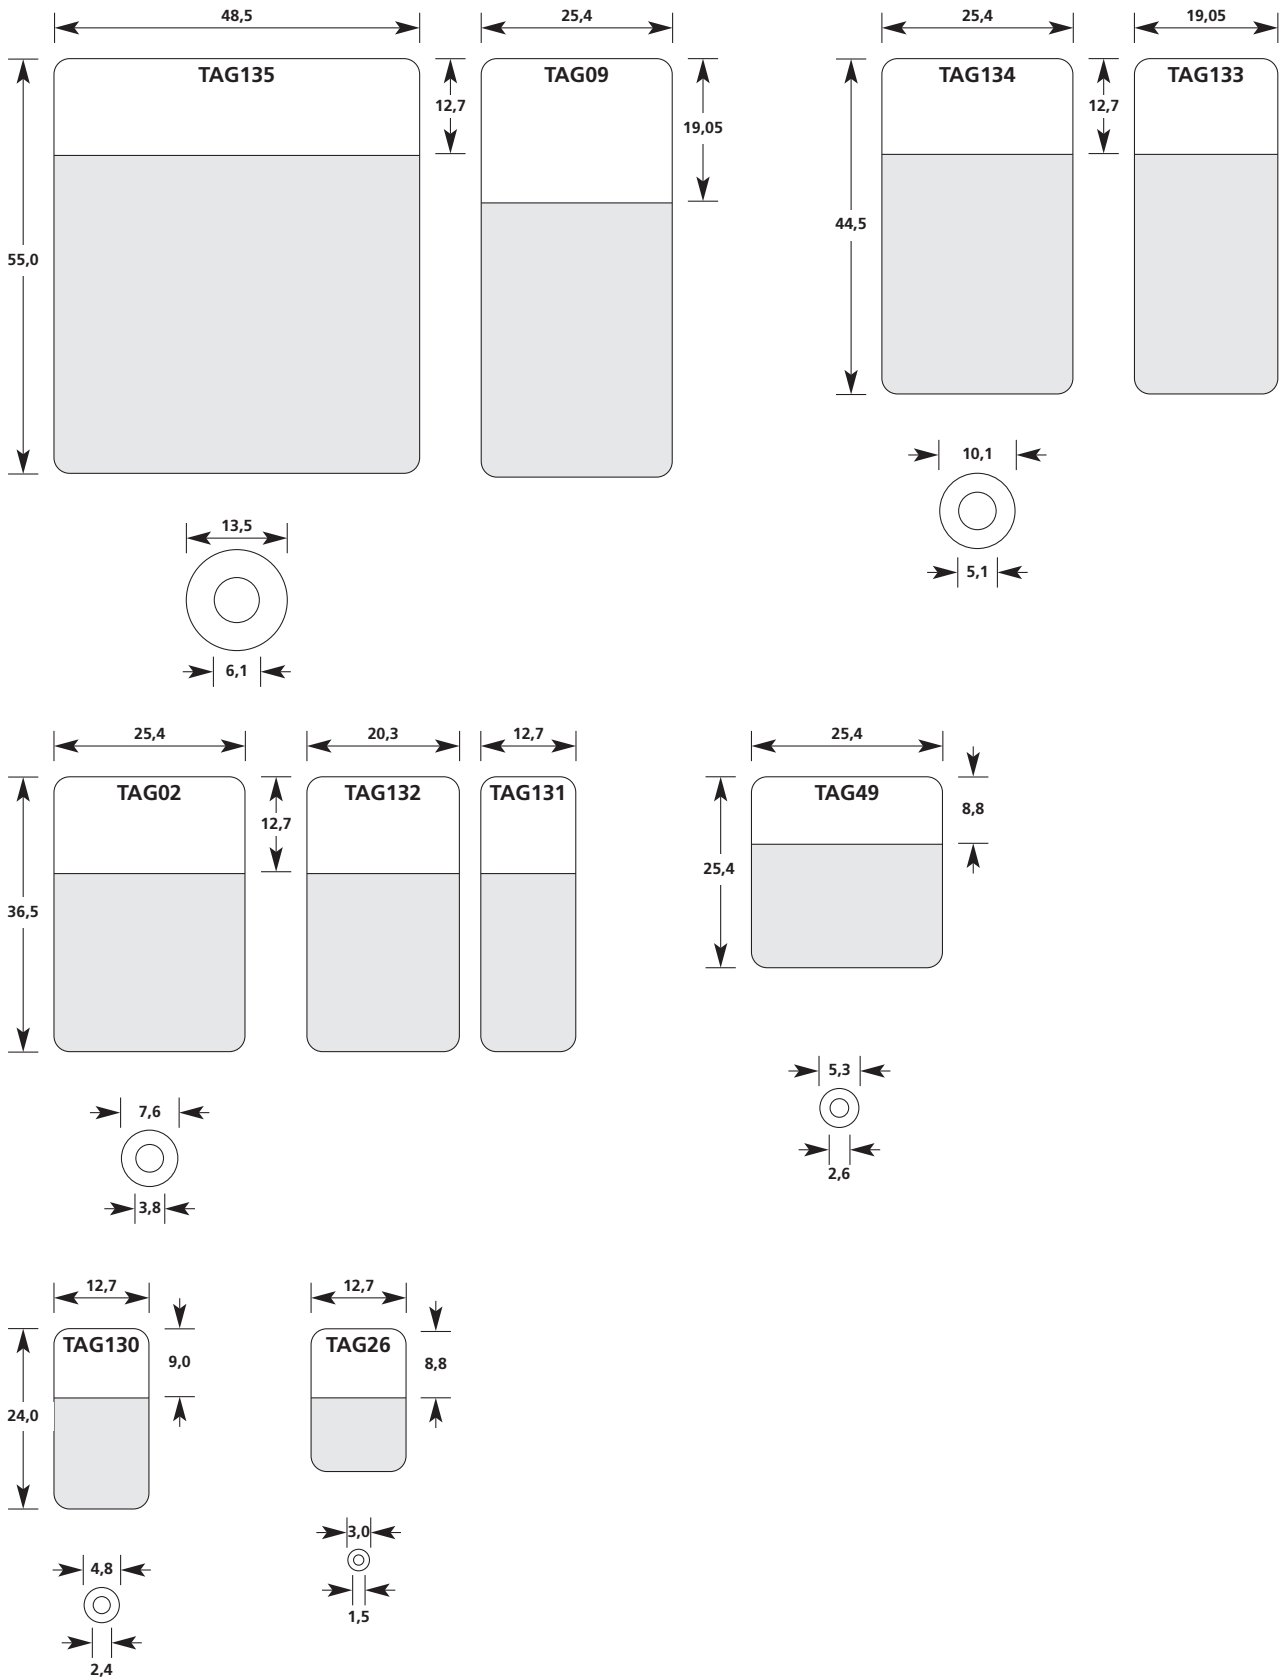

Special sizes on request.  
Subject to engineering change.

A4: all dimensions in mm, scale 1:1  
A5: all dimensions in mm, scale 1:1,42

# 5.8 Overview of sizes for self-laminating labels Helatag® for laser printers

## Typ 1104 / Polyester/ Transparent with white write on area

 The grey areas mark the size of the protective foil  
All labels start in the bottom left corner.

Special sizes on request.  
Subject to engineering change.

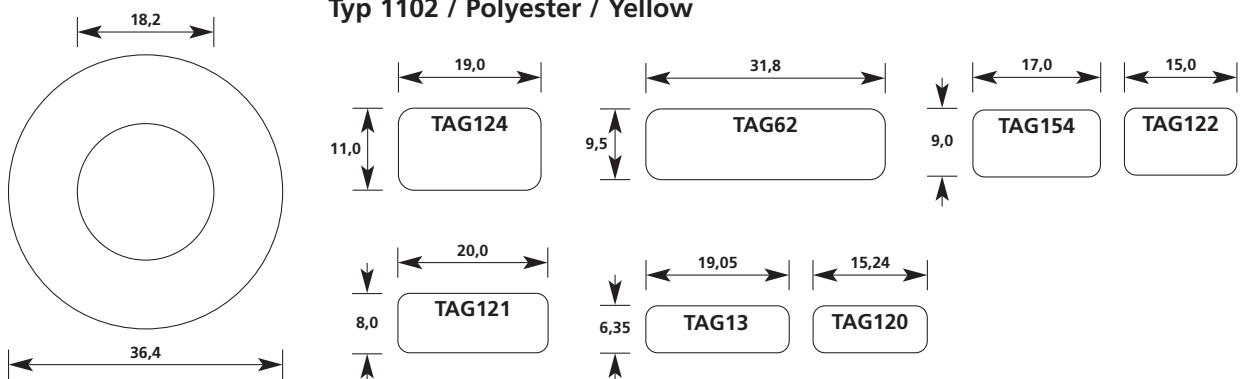

A4: all dimensions in mm, scale 1:1  
A5: all dimensions in mm, scale 1:1,42

**Typ 1105 / Polyester/ Transparent with white write on area**

**Typ 1102 / Polyester / Yellow**

 The grey areas mark the size of the protective foil  
All labels start in the bottom left corner.

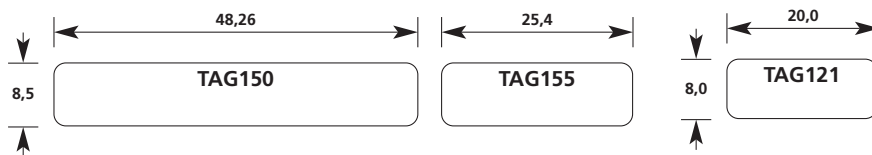

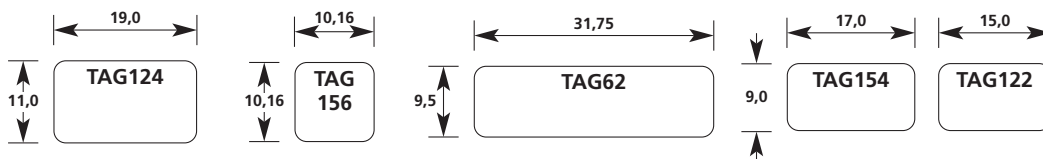

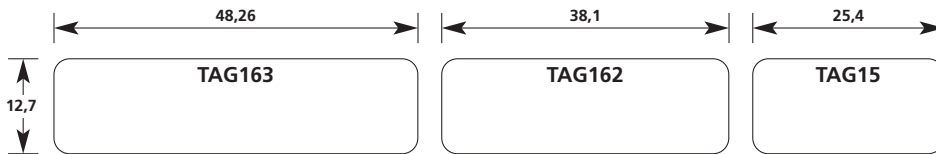

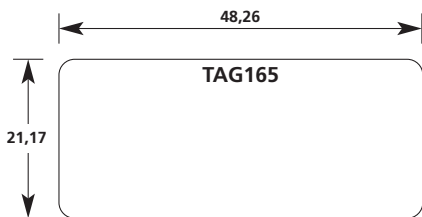

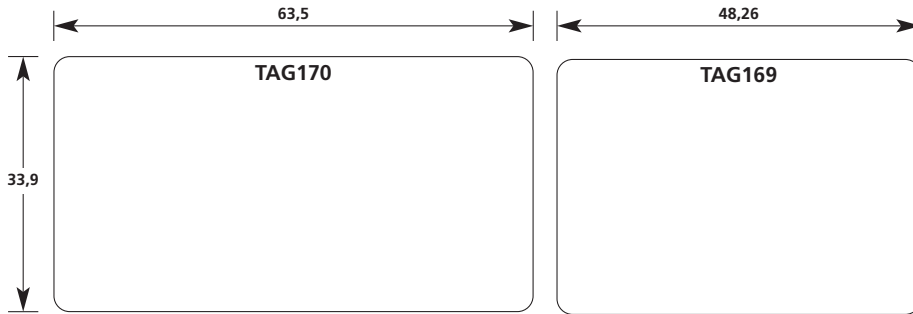

Special sizes on request.  
Subject to engineering change.

A4: all dimensions in mm, scale 1:1  
A5: all dimensions in mm, scale 1:1,42

# 5.8 Overview of sizes for self-laminating labels Helatag® for laser printers

## Type 1101 / Polyester / White

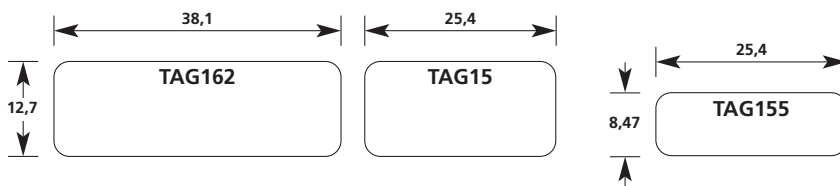

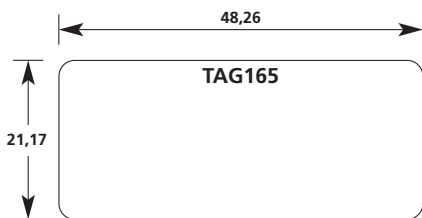

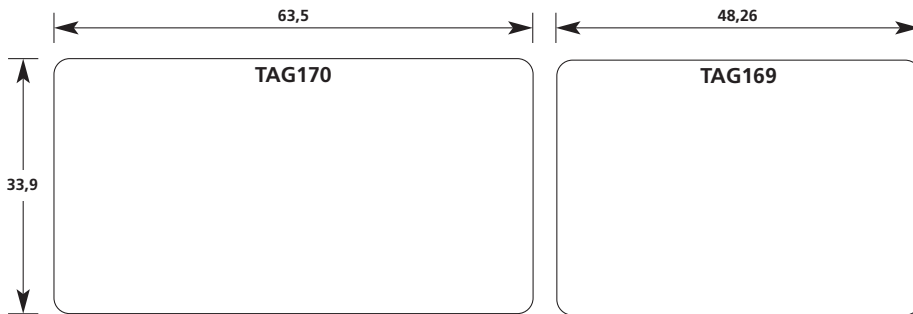

Special sizes on request. Subject to engineering change.

A4: all dimensions in mm, scale 1:1  
A5: all dimensions in mm, scale 1:1,42

**Type 1103 / Polyester / Silver**

Typ 1101, 1102 und 1103 are also available in sizes 210,0 x 197,0 mm

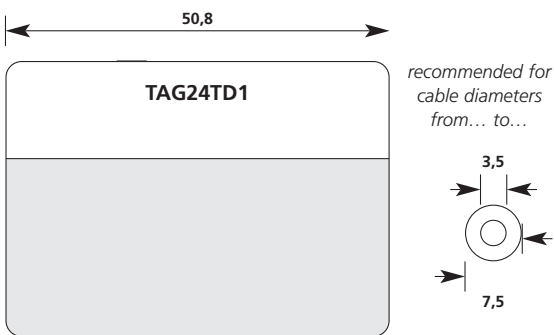

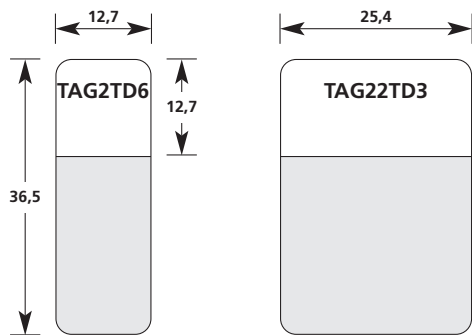

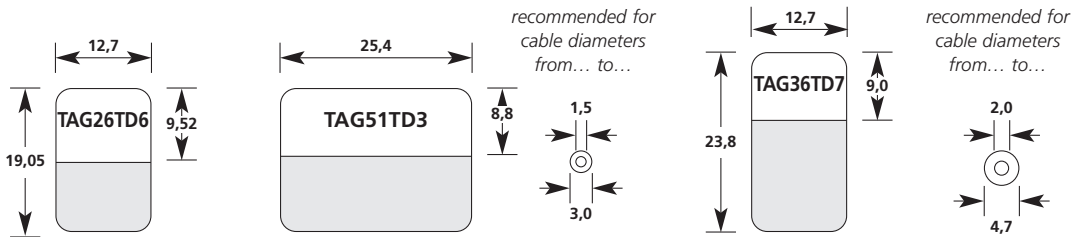

Special sizes on request. Subject to engineering change.

A4: all dimensions in mm, scale 1:1  
A5: all dimensions in mm, scale 1:1,42

# 5.8 Overview of sizes for self-laminating labels for thermal transfer printers

## Type 1209 / 320

 The grey areas mark the size of the protective foil

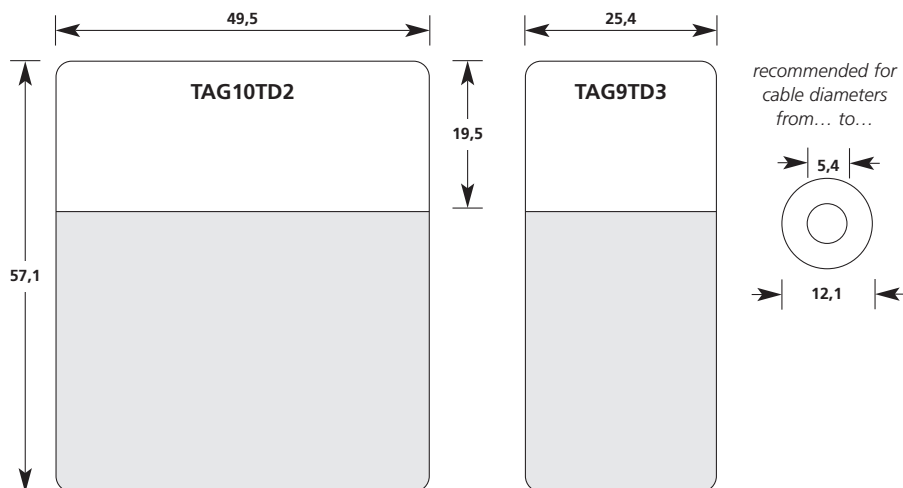

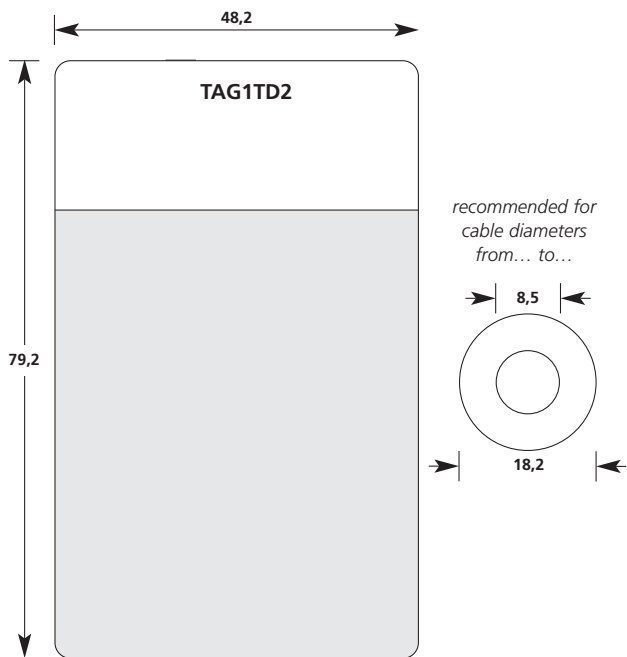

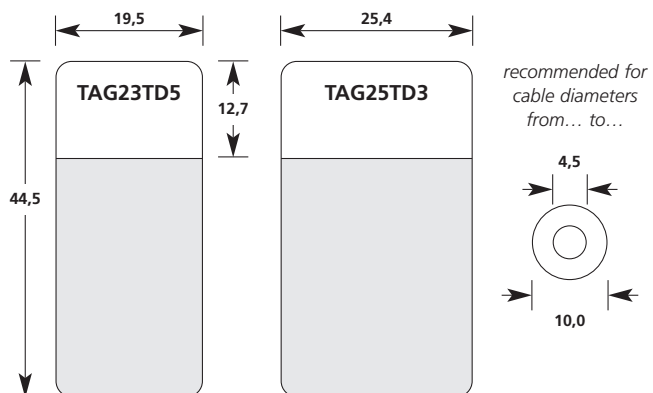

Special sizes on request.  
Subject to engineering change.

A4: all dimensions in mm, scale 1:1  
A5: all dimensions in mm, scale 1:1,42

Type 1209 / 320

 The grey areas mark the size of the protective foil

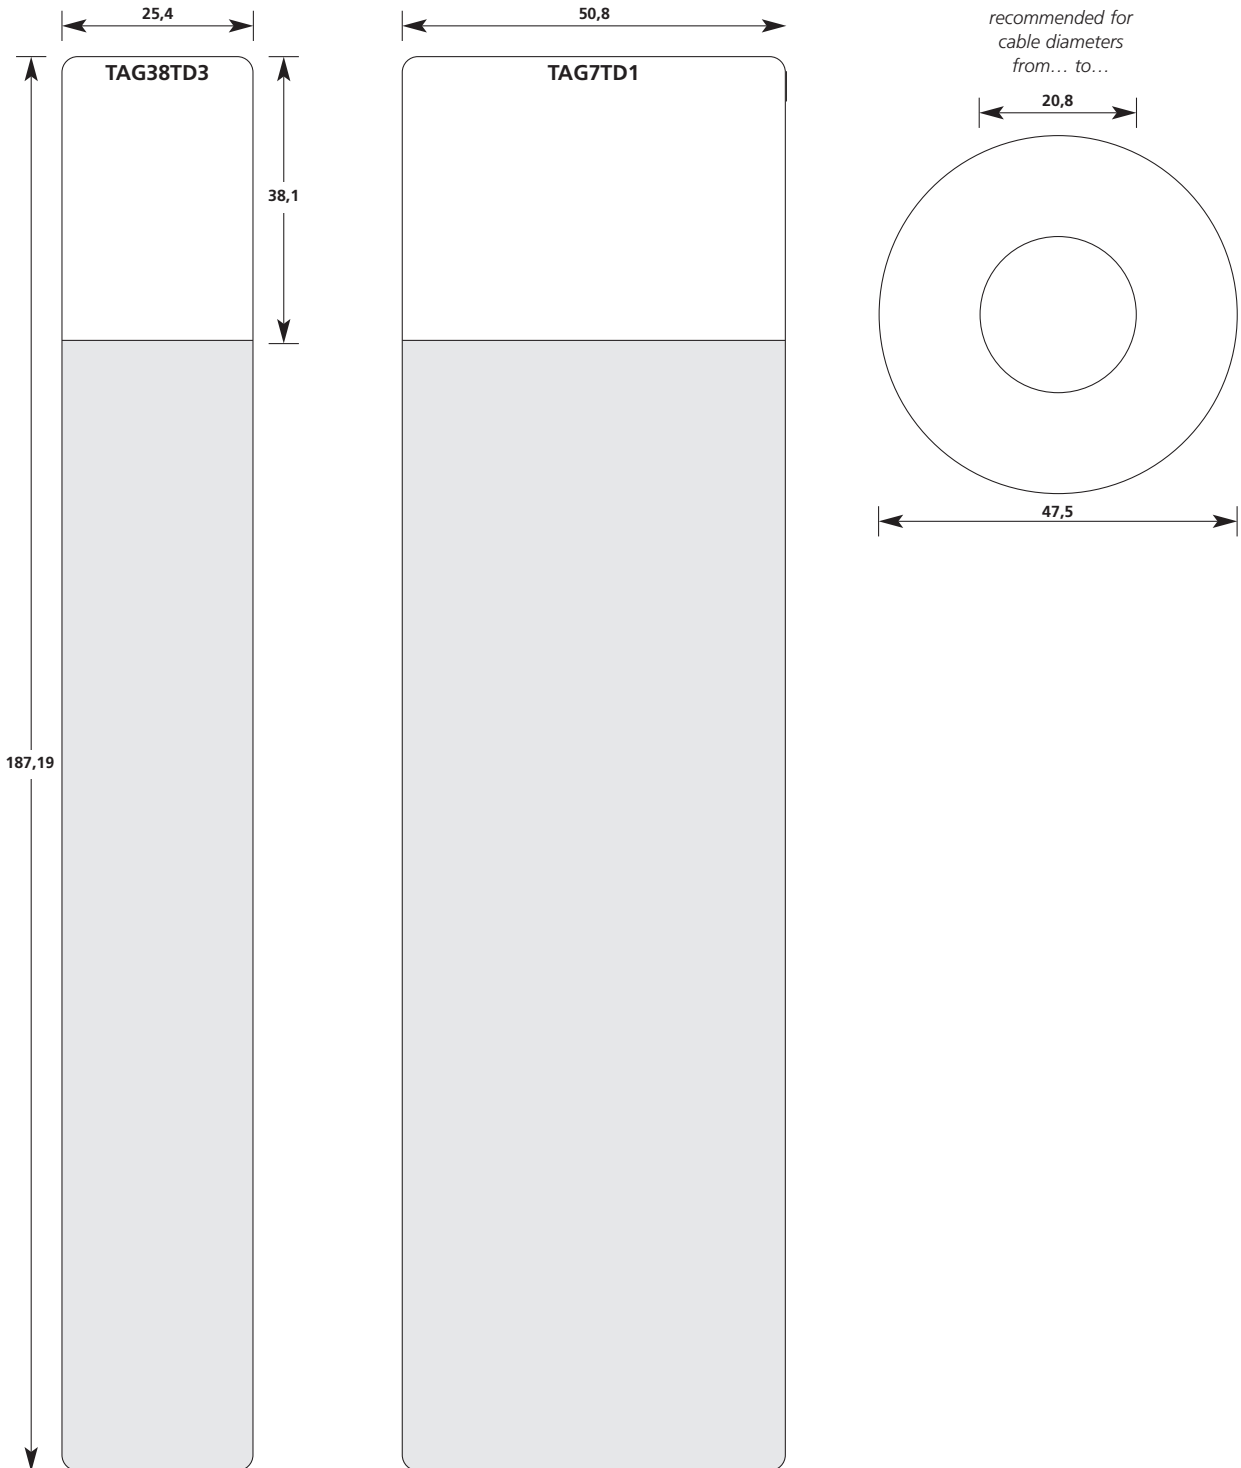

Special sizes on request.  
Subject to engineering change.

A4: all dimensions in mm, scale 1:1  
A5: all dimensions in mm, scale 1:1,42

# 5.8 Overview of sizes for self-laminating labels for thermal transfer printers

## Type 1209 / 320

 The grey areas mark the size of the protective foil  
All labels start in the bottom left corner.
